

2008 Financial Times Ranking of Masters in Management

Cergy, 29 September 2008

For the 3rd year in a row, ESSEC's Advanced Master's in Strategy and Management of International Business was ranked as one of the top 6 Masters' in Management by the Financial Times.

This result was notably achieved thanks to the excellent scores obtained by the program in the two following criteria: participant satisfaction and job placement.

The Advanced Master's program was rated number one in:

- The "3 months employment" criteria: 98% of students found a job in less than 3 months after obtaining their degree
- The "aims achieved" criteria: 84% of participants reported that the program fully satisfied their expectations.

This Advanced Master's program prepares students for international careers and offers 6 tracks, including an Asian Track at ESSEC's Singapore campus, an American Track in partnership with Thunderbird, The Global School of International Management, and a Latin-American Track with EGADE Tecnologico, Monterrey (Mexico).
