ESSEC-CFA Institute partnership agreement extended to the ESSEC MBA Finance Track

ESSEC Business School is pleased to announce the extension of the existing partnership with the CFA Institute to the ESSEC MBA Finance track. The CFA Institute is the professional body that awards the prestigious Chartered Financial Analyst® (CFA®) designation.

The extension of the existing partnership to the MBA program is a strong recognition of the quality of course offering in the Finance track, which currently proposes more than 20 specialized Finance courses. In addition, the very best ESSEC MBA students graduating from the Finance Track will be able to benefit, along with their colleagues of the Advanced Master in Financial Techniques, from scholarships to enroll in the CFA Charterholder exams.

CFA Institute is a global, not-for-profit association of investment professionals that awards the CFA and CIPM designations. It has more than 90,000 members worldwide and is one of the most prestigious charters in the financial industry.

The ESSEC MBA Finance track is designed for students wishing to pursue job opportunities in corporate investment banking, mergers and acquisitions, financial analysis and research, corporate financial and treasury management, strategic auditing and consulting. It allows students to consolidate their knowledge of the field and prepare for a career in finance.
