

# THE MOS WORKSHOPS 2009/2010

Based on " Brown Bag seminars ", the MOS (Management Organization Strategy) workshops are a place for discussion on research work in a positive and convivial atmosphere.

## Their aim?

- Present and introduce our research in management, organization and strategy,
- Obtain comments and advice from other researchers,
- Stimulate our publications.

## When?

The MOS workshops are organized at lunch time (11h30-12h45) the first Tuesday of every month from October 2009 until June 2010<sup>1</sup>.

You will be offered during the workshop:  
Sandwichs: please inform the MGT assistant of your participation 3 days before  
[gobert@essec.fr - tel 3309],  
Coffee for everyone

## Who for?

The MOS workshops are intended for all professors, researchers, managers and professionals interested in the proposed researches.

1. This day been chosen because :
  - We all teach every day at all hours....,
  - At the end of the week professors spend more time at l'EME,
